

Jandaz Cockapoos wins Best Family Business 2024

Jandaz Cockapoos is a family-owned business that has flourished for over four decades, leaving an indelible mark on the world of canine companionship. Jandaz Cockapoos, founded in 1979 by Janice and Darrel Griffiths, has been at the forefront of Cockapoo breeding, pioneering the industry and producing exceptional examples of this beloved hybrid breed.

In an era when mixed breeds were often overlooked, Janice and Darell saw the potential for a unique and wonderful companion in the Cockapoo. They became one of the first breeders in the UK dedicated to producing high-quality Cockapoos.

Their commitment to excellence extended beyond simply breeding the dogs. Jandaz Cockapoos became renowned for successfully breeding up to five generations, showcasing their dedication to understanding the genetics and characteristics of their beloved breed. The result was a lineage of Cockapoos that embodied the best qualities of both Cocker Spaniels and Poodles.

Sadly, Janice and Darrel Griffiths passed away, leaving a void in the Cockapoo breeding community. However, their legacy continues on through their daughter Sarah Garratt-Griffiths and granddaughter India Garratt, who took the reins of Jandaz Cockapoos. With a passion for the breed and a commitment to continuing her parents work, Sarah became the driving force behind the ongoing success of the family business continuing to offer the breed worldwide.

India has brought fresh young blood into the business and with her matching passion and love for the dogs she is determined to carry on the family legacy. Her extensive knowledge of the breed and understanding of how owners' lifestyles and dogs need to match makes her aftercare services second to none.

India is a fully qualified groomer and offers a very popular stylist service in the New Quay area of Wales. She can be found under the name of Dog Grooming by India and can be found on facebook and Instagram.

Jandaz Cockapoos has earned a reputation for producing outstanding examples of the Cockapoo breed by meticulously selecting top-quality bloodlines. The emphasis on responsible breeding practices ensures that each puppy is a healthy and well-adjusted addition to its new family. The commitment to producing Cockapoos is a testament to Jandaz's dedication to maintaining the integrity of the breed. By adhering to high standards and carefully selecting breeding pairs, Jandaz Cockapoos consistently delivers puppies that not only meet but exceed the expectations of Cockapoo enthusiasts.

All puppies are fully vaccinated before they leave as well as having all the necessary health testing before they go to their new loving homes.

Over the last year they have gone on to produce and sell their own range of dog products worldwide, the products include shampoos, balms, ear cleaners and coat detanglers which are safe for both pets and their owners so your cockapoo has a shiny healthy coat.

With a commitment to education, top-quality breeding practices, and the preservation of Cockapoos, Jandaz Cockapoos remains a trusted name for those seeking a loving and exceptional companion.
